Event Suggestions

Party Tiaras

Everyone can be a queen at this party! Hand out party tiaras for guests to decorate to their heart's content with markers and glitter. Then cut them out for guests to wear for the duration of the party.

Which Queen are You? Quiz

There are many kinds of queens. Which one are you? Pass out the queen questionnaire. Once the answers have been determined, fill out name-tags and organize guests by the type of queen they are. It's a great way to meet new people!

Favorite Character

Read the first few chapters of a Kylie Jean book. Ask guests which character is their favorite. Then, have them draw a picture of that person. Ask guests to predict the ending of the story. What do they think will happen?

Star Snacks

A sweet tooth is essential for a good queen. Serve Kylie Jean's Rodeo Queen Sparkling Star Cookies and punch. Give copies of the recipe to guests so they can make Star Cookies at home.

1. Decorate your tiara with markers and glitter—just the way you like it.
2. Cut out with scissors (have an adult help you!) and punch holes at the ends of the crown (where the black dots are).
3. Cut two pieces of yarn.
4. Tie one end of each yarn piece to the ends of the crown, put on your head, and have an adult tie the ends of the yarn together.

Which Queen are You? Answers

If you answered mostly A's, you are a Hoop Queen (or Sports Queen).

You have more of a casual style and like to wear funny T-shirts. You strive to be the best at whatever you are doing. You don't give up when things get hard. You are happy and kind.

If you answered mostly B's, you are a Drama Queen.

You are the center of attention and are full of creativity. You love to dress up for whatever the occasion is. Your mood changes a lot during the day — you go from happy to funny to excited to mad. But no matter what you always have tons of energy!

If you answered mostly C's, you are a Rodeo Queen.

Horses are your calling. You feel most comfortable in blue jeans and a cowboy hat. You are strong, likeable, and love the outdoors.

If you answered mostly D's, you are a Blueberry Queen.

You love to dress up and accessorize with jewelry and purses. You are friendly, poised, and sweet. You have many talents and want to share them with the world.

RODEO QUEEN SPARKLING STARS

Makes: 16 cookies

YOU NEED:

1 grown-up helper

1 16-ounce tube of refrigerated cookie dough (sugar-cookie flavor)

1 star-shaped cookie cutter

Sugar sprinkles in your favorite colors

A cookie sheet

A rolling pin

Ask your helper to preheat the oven to 350 degrees.

1. Roll the cookie dough out on a lightly-floured surface.
2. Use the cookie cutter to cut out star shapes. Save the extra dough. You can roll it out again to get more stars.
3. Put each star shape on the cookie sheet. Dust with sugar sprinkles.
4. Ask your helper to bake the cookies for 7-11 minutes, or until the cookies are lightly browned around the edges.

Let the cookies cool before eating. Yum-o!
