

5

Twist a 1-inch neck bubble and two 3-inch front leg bubbles.

6

Hold the legs together and do another bubble twist to lock them together.

7

Twist a 2-inch body bubble and two 2-inch leg bubbles.

8

Use another bubble twist to lock the leg bubbles together. The remaining balloon is the tail.

**TWISTING TIP: IF IT LOOKS LIKE YOU WILL RUN OUT OF BALLOON, GIVE IT A SQUEEZE TO PUSH AIR INTO THE END.**
